CATHOLIC SCHOOL LEAGUE

Our Lady of Perpetual Help School has enrolled one again in the Diocesan Catholic School League. The Catholic School League believes in the extended education of youth through a Christian oriented sports program. It fosters the continued development of a conscious, active, Christian attitude of the sportsperson-like conduct.

OLPH School will be participating in the Volleyball, Basketball, and Track & Field events. Students from Grades 5, 6, 7, & 8 are encouraged to join our school teams. Through the dedication and expertise of our Coaches Ruel Reyes, Joel Morales, John Ka'aikala, Fred Ponce, and other volunteers, our students become great sports persons, knowledgeable in the disciplines of sports, use their strengths, develop self-reliance, cooperation, emotional maturity, etc.

EMERGENCY PREPAREDNESS

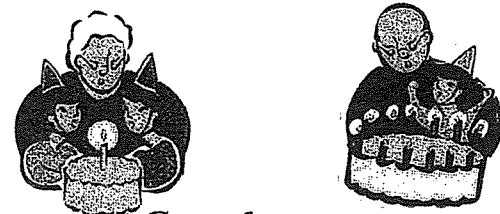

Our Faculty & Staff at Our Lady of Perpetual Help School values the quality of life of everyone by continuing their efforts with safety programs. They stress the fact that it is contingent for our families to be prepared actively and wisely during emergencies. For detailed safety information, our Faculty & Staff recommend that our families read the Hawaiian Electric Company's Handbook for Emergency Preparedness that is available online at www.heco.com or by calling (808) 543-7511.

Sister Davilyn Ah Chick, osf, met with Representative Kymberly Pine regarding the upcoming Ewa Emergency Preparedness Workshop to be held on Saturday, September 24, 2011, from 9:00 a.m. to 3:00 p.m. at Ewa Maikai Middle School. Our Lady of Perpetual Help School has been invited to have a table at this event. OLPH School's P.T.S.A. Officers along with the Faculty and Staff will be coordinating OLPH School's display. Volunteers are welcomed to be present at OLPH School's booth. Kindly contact our School Office at 689-0474. Thank you very much for your precious time in witnessing OLPH School.

REYES' SYNDROME

Reye's Syndrome is a disease which affects all organs of the body, but most lethally the liver and the brain. Reye's Syndrome is a two-phase illness because it is almost always associated with a previous viral infection, such as influenza, cold, or chicken pox. Scientists do know that it is not contagious and the cause is unknown. It is often misdiagnosed as encephalitis, meningitis, diabetes, drug overdose, poisoning, Sudden Infant Death Syndrome, or psychiatric illness.

Our Lady of Perpetual Help School usually sends home the materials from the National Reye's Syndrome Foundation. This year, the National Reye's Syndrome Foundation is asking schools to go to the foundation's website at:

www.ReyesSyndrome.Org/schools.html

to download any and all literature and materials needed to continue the Awareness Program. This saves both money and time because the information is there waiting for you when and as you need it!
