September 15, 2011

Dear Parents, Guardians, Parishioners, and Friends of Our Lady of Perpetual Help School,

Greetings and may the peace and love of Christ be with all of you!

**Congratulations!** Our Faculty and Staff are more than happy to present to you your child's **First Quarter Interim Progress Report**. This interim report offers an opportunity for a better understanding of your child's current achievement and reflects your child's present standing. As the primary educators of your child, thank you so much for allowing us to be part of your child's growth and development.

**Our Lady of Perpetual Help School** began its **43<sup>rd</sup> Anniversary Celebration** on August 24<sup>th</sup>. God continues to bless us indeed! We want to thank all of you for being part of the **"Best School in the Universe."** Special gratitude is extended to our P.T.S.A. Officers, our Faculty & Staff, Maggie & Arnold Queypo, Arnette Stephens, and Bryson Garcia-Queypo for making this day very festive and a day to remember.

Grandparents are truly Gifts from God! **Grandparents' Day** here at Our Lady of Perpetual Help School was celebrated on September 14<sup>th</sup> with Mass, picture-taking, entertainment by our students, social time, and delicious refreshments. We remember our Grandparents, both living and deceased, especially with our love and prayers. Indeed, **"Grandparents of Faith Shine with God's Love!"**

**OLPH School Science Fair 2011-2012** is officially open. We are happy to present to you and your child our school's **Science Fair 2011-2012 packet**. We look forward to another invigorating Science Fair and with our students' projects selected for both the Hawaii Association of Independent Schools (HAIS) Science Fair and the State of Hawaii Science & Engineering Fair again.

**Fire Prevention Week** will be commemorated from October 9-15, 2011. Again, we will be participating in the Honolulu Fire Department's Fire Fighter's Safety Guide Program. This is a great means to make sure that our families check their plans on home fire preventions, installation of smoke alarms, home fire escape planning, etc. Safety depends on all of us!

**TERRA Nova Standardized Testing** will be from October 17-24, 2011 for Grades 2 to 8. Please make sure that your child gets a good night's sleep, eats a healthy breakfast, and receives your usual encouragement that it is important to do his or her best.

As I had mentioned at our Open House and Orientation Gathering on August 24<sup>th</sup>, I was in the process of obtaining from the Hawaiian Electric Company the **2011 Handbook for Emergency Preparedness**, one copy per family. Our gratitude to HECO for helping us to Be Prepared—Be Informed! You are cordially invited to attend the special **Ewa Beach Emergency Preparedness Workshop** on September 24<sup>th</sup> at the Ewa Maikai School from 9:00 a.m. to 3:00 p.m. Our Lady of Perpetual Help School will be having a booth at this event.

**Parent-Teacher-Student Conferences** are scheduled for October 26<sup>th</sup>, 27<sup>th</sup>, and 28<sup>th</sup>. We look forward to sharing your child's progress for this first quarter period. The **Awards Ceremony, Report Card Distribution, P.T.S.A. Meeting, Grades Entertainment, & Safe Environment Program** will be on October 27<sup>th</sup> at 6:30 p.m.

May God bless all of you and may St. Francis of Assisi inspire you to greater holiness!

Lovingly and prayerfully yours in Christ and in Our Lady of Perpetual Help,

*Sister Davilyn*
